Thank you for looking over our menu. The most important thing we offer, which isn't listed on the price list is total attentive service. We are very glad that you've come to see us and feel that you deserve to be spoiled and pampered while visiting us. Our attention will solely be focused on you and your comfort. From the soft fuzzy slippers that meet you at the door, to the gentle music to help you unwind and feel special. It is our aim to spoil you.

Join one of our physician administered Botox parties! Dr. Kohler, acclaimed eye surgeon, performs the Botox injections.

Because we are a group, we receive a 20% discount on Botox services. A \$20 NON REFUNDABLE deposit is required to hold your spot for a certain date. If you fail to attend without canceling 24 hours prior, you will forfeit your deposit. This keeps the attendance numbers high enough to get the discount. These gatherings are the sole responsibility of Dr. Kohler and in no way are associated with Nancy Tozier.
